

THE HEART BEAT

A QUARTERLY NEWSLETTER BROUGHT TO YOU BY HEART OF A MATTER MINISTRIES

VOLUME 4, ISSUE 1

Our annual “United in Prayer” event was a great success! This event brings local congregations together as one body to pray over our nation, our cities, our schools, our businesses, and the residents of our great community. This year we hosted the event at the Grayson County Court House which proved to be the perfect setting for such a time as this.

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

2 Chronicles 7:14

SUMMER MISSIONS

SERVING WITH HEART

Our mission teams stayed active this summer! What a delight it was to have the youth of our community activated and serving throughout Sherman & Denison. Teams of youth served in food pantries, local soup kitchens as well as VBS programs. A great BIG THANK YOU to Masterkey Ministries, Grand Central Station, Share Ministries, CASA of Grayson County, and The City of Sherman for giving us the opportunities to serve them!

THE CREATOR'S STUDIO

WELCOME JAMI WILSON

We welcomed Mrs. Jami Wilson into the studio this summer. Jami and her husband Wes have been dedicated friends of the studio and we feel blessed to have Jami a part of our ministry team, helping us grow this program to all it is meant to be.

Find us @ [“The Creator’s Studio”](#) on Facebook and follow us for upcoming open art sessions, workshops and to learn about the artists serving in the studio!

COMMUNITY AWARENESS

2ND THURSDAY @ 6PM

Mark your calendar friends! We will continue hosting monthly CommUNITY Awareness Meetings. These meetings are open to anyone looking to Get Involved with our “FOLLOW ME” Outreach Mission Teams. Come on out and meet Sherry, our Mission Teams Coordinator, and her team leaders! Learn of all the opportunities to be the hands and feet of Jesus right here in your very own community!

There is no better time than now to GET INVOLVED.

IT STARTS WITH THE CHILDREN

These children have been learning how important it is to be the Ministry of Jesus. Our fearless ministry leaders have been cultivating Christ in each of them, helping them to grow their seed of purpose from within, feeding their desire to be the hands and feet of Jesus. We have been given the opportunity to come alongside their children's church teachers to offer opportunities to make an impact in the community. It has been a true delight seeing them recognize their part in being impactful in the Kingdom!

A Blessing from the Community

Friends Giving Foundation presented us with proceeds from their summer sale. What an honor it was to receive this LABOR OF LOVE. If you are not familiar with this foundation, you may not know that it is literally a labor of love that allows them to support community organizations. We felt honored to be selected. The funds provided to us went towards our Life Enrichment program as well as the Creator's Studio. Because of their generosity, we have been able to provide services and meet the needs of some of the most vulnerable in our community.
